Food Voucher Process:

Provide the number of guests and determined dollar amount per guest to spend during What the Truck

- Example: \$20 per individual or \$50 per family
- We recommend you have a headcount the Tuesday prior to your event. Vouchers will be printed and provided for you to internally organize how you will distribute to attendees.
If you need suggestions, just ask.

Food Voucher Creative

Breezes will handle the creative and printing of the food vouchers

Includes: Event Name, Company Logo, Date

Reimbursement

At the end of the evening, designated staff from your company will go to each Food Truck and count the vouchers. You will be responsible for reimbursing each food truck vendor in cash.

Don't worry - we're here to help you with the process and keep it a Breeze!

In case the weather isn't favorable for an outdoor event and What The Truck is canceled, Breezes will host your event indoors in the beautiful event center on your scheduled Tuesday. Pricing will remain the same, and the food will be prepared by our in-house chef. We have great buffet menu options to choose from. Back-up weather details will be discussed individually.
